1326 KINGSTON AVE

4 BED | 4 BATH |

PROPERTY DESCRIPTION

****Elegant Executive Home with Stunning Views of the Experimental Farm****

Welcome to 1326 Kingston Ave in Ottawa, where this exquisite executive family home offers unparalleled style and comfort. Boasting 4+1 bedrooms and 3.5 bathrooms this residence features elegant hardwood and ceramic floors, granite countertops in the fully-equipped kitchen, and modern pot lighting throughout. The open-concept layout includes a formal dining area and a cozy living room with a fireplace. The kitchen is a chef's dream with stainless steel appliances and a central prep island. A convenient main floor powder room and a laundry closet on the second level add to the home's functionality. The master bedroom is a serene retreat with a spa-like ensuite and a walk-in closet. Three additional bedrooms upstairs include a charming children's room, all served by a spacious 5-piece family bathroom. The lower level offers a media room with a fireplace, a roomy bedroom and a full bathroom, perfect for guests or extended family. Enjoy the tranquility of having no rear neighbors from your deck, overlooking the lush Experimental Farm. This established community, lined with mature trees and parks, provides easy access to the Queensway, Turnbull Private School, and the Civic Hospital. Take a stroll to vibrant Preston Street or explore the leisure pathways right behind your new home.
